Here's how it works

Set for Tomorrow Income Protector offers 100% guaranteed life insurance coverage when the unexpected happens. If you are diagnosed with a terminal

illness, you can get 100% of your coverage in advance. An additional 20% benefit will also be given when an unforeseen event happens overseas. A Funeral Benefit, which is 10% of the life insurance coverage or up to ₱100,000, will be advanced within the next 48 hours for funeral expenses. This is deducted from the total Life Insurance Coverage.

An additional 100% coverage amount will also be extended if an unfortunate event happens to you and your spouse as a result of the same accident, provided there is at least one child below 18 yr old.

Set for Tomorrow Income Protector offers additional

benefits to better protect you from unforeseen life risks. Your future premiums will be waived in case of total and permanent disability or when diagnosed with one of the 38 critical illnesses as defined in your policy contract.
